## **Einleitung / Information** **Entrée en matière / info**

Ein Möbelgriff ist längst kein Mittel zum Zweck mehr, sondern ein zentrales Element in der Gestaltung und Vollendung eines Möbels. Der Griff gibt den Möbeln ein Gesicht, unterstreicht dessen Charakter und betont die Funktionalität.

Wir befassen uns seit über 30 Jahren mit dem Thema „Griff“ und sind stets bestrebt ein aktuelles und innovatives Portfolio an Möbelgriffen anzubieten.

Unterstützt wird diese Tatsache mit der Zusammenarbeit der HSB mit namhaften Zulieferer der Branche. Diese HSB Partner arbeiten stetig, dies auch mit der Unterstützung renommierter Designern, an der Entwicklung und Kreation neuer Modelle.

In dieser Designentwicklung gilt es verschiedene Faktoren wie Materialien, Formgebung, Verarbeitung und Trends so zu kombinieren, um ein überzeugendes Endprodukt präsentieren zu können.

Mit diesen Vorzeichen hoffen wir, dass Ihnen unser neuer Griffkatalog viele Ideen und Anregungen gibt bei der Realisation Ihrer Projekte.
